SUMMARY

Systems-Oriented Project Manager with extensive experience in **Premium Travel Planning** and Real Estate. I excel at creating **organizational systems** that reduce ambiguity and improve team productivity in remote settings.

EXPERIENCE

TRAVEL PLANNER MANAGER

The Wandering Lens (Remote Work)

March 2024 - Present, Singapore

- **Operational Oversight:** Managed 100+ tours and 400+ travelers, ensuring **seamless logistics and high client satisfaction**.
- **Operator Management:** Handled 30+ global operators with a focus on the China region, overseeing contract negotiations, payment processing, and tour coordination.
- **Process Standardization:** Authored **comprehensive SOPs**, staff handbooks, and internal guides to institutionalize knowledge and stabilize operations during high-volume periods.
- **Client Retention:** Achieved **~80% repeat client rate** through high-touch service quality and the establishment of long-term brand trust.

LECTURER CUM ACADEMIC QC

Blue Pillar Academy

December 2022 - December 2023, Penang

- **Curriculum Development:** Developed ~10 structured modules for Interior Design and Landscape Design courses, ensuring academic rigor and protecting intellectual property through content security.
- **Instructional Innovation:** Implemented digital teaching strategies for remote environments, maintaining **high student engagement** and achieved a 4.8/5.0 average instructor rating.
- **Quality Control:** Standardized assessment rubrics and evaluation processes to align course outcomes with institutional quality benchmarks and academic standards.

PROJECT MANAGEMENT EXECUTIVE

Country Garden Sdn Bhd

September 2017 - October 2022, Johor

- **Multi-Project Oversight:** Simultaneously managed 3 mixed residential projects, **coordinating all disciplines** from infrastructure to interior design.
- **System Setup:** Established the department's centralized **Filing & Email Server System**, significantly improving document retrieval speed and team transparency, improving efficiency by ~70%.
- **Executive Support:** Acted as a **Personal Assistant** to leadership, handling complex administrative scheduling and high-priority resource management.
